February: From Prayer to Action

"For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do." — Ephesians 2:10

If January was about **seeking God's face**, February is about **extending God's hands**. We're launching our **30-Day Prayer Challenge on February 1**, and it will carry us through the entire month of February. As we learn to pray, we'll also learn to serve. Everything we discover about communion with God flows into loving service for others.

Join Us: The 30-Day Prayer Challenge Launches February 1.

What if 30 days could transform your relationship with God?

On Sunday, February 1, we're launching our church-wide 30-Day Prayer Challenge. Every day from February 1 through March 1, you'll receive a text message at 6:00 AM with a link to a guided 15-20 minute prayer experience.

This isn't about religious duty—it's about life-giving conversation with your Father. You'll learn:

- **Week 1 (Days 1-7):** Understanding prayer and why it matters
- **Week 2 (Days 8-14):** The A.C.T.S. model—a simple framework for powerful prayer
- **Week 3 (Days 15-21):** Advanced practices like intercession, Scripture prayer, and listening prayer
- **Week 4 (Days 22-30):** Making prayer your lifestyle, not just a 30-day experiment

Welcome

Testimony Sunday - February 22

As we complete our 30-Day Prayer Challenge, we'll gather on Sunday, February 22 to celebrate what God has done. Come ready to share:

- **Answered prayers** you've witnessed
- **Breakthroughs** you've experienced
- **New prayer habits** you've formed

Your story will encourage others and magnify God's faithfulness. The goal isn't perfection—it's progress.

February Events: Love in Action

Blessed to Bless Serve Banquet - February 11th

It's time to serve! Join us for an evening celebrating service and discovering where God is calling you to be a blessing. We'll share opportunities to serve in our church and community, enjoy fellowship, and commission our ministry teams for 2026. This isn't just a banquet—it's a launching pad for loving our community well.

Baptism Sunday - February 15th

There's no greater joy than celebrating new life in Christ! If you've made a decision to follow Jesus and haven't been baptized, February 15th is your day to go public with your faith. Baptism is your declaration: "I was dead, but now I'm alive. I was lost, but now I'm found."

Parents, this is a beautiful opportunity for your children who have trusted Christ. Let's talk about what baptism means and whether your child is ready.

Contact Pastor Michael this week if you're ready to take this step.

"What's At Steak" - February 28th

Men, mark your calendars for an evening of grilled steaks, honest conversation, and building brotherhood. "What's At Steak" is your opportunity to connect with other men who are seeking to follow Jesus authentically. Bring a friend who needs to know that following Jesus isn't about being perfect—it's about being real.

February Sermon Series: Love That Lasts

While the world celebrates romantic love for one day, we're spending the entire month exploring the kind of love that endures—**sacrificial, covenant love** that reflects Christ's love for us.

This series isn't just for married couples. It's for every relationship: friendships, family, dating, and yes, marriage. We'll learn how love moves from feeling to commitment, from attraction to service, from selfishness to sacrifice.

Spiritual Discipline for February: SERVICE

Prayer and service aren't opposites—they're partners. Jesus prayed all night, then served all day. This month, we're putting feet to our prayers by serving others in practical, tangible ways.

Why February Matters

January gave us vision and taught us to pray. February takes that foundation and builds something beautiful: **a church that prays together and serves together.**

The 30-Day Prayer Challenge wasn't just about developing a personal prayer life (though that's wonderful). It was about preparing us to be conduits of God's blessing to others. You can't pour from an empty cup. January filled us up. February pours us out.

This is what it means to be Blessed to Bless.
